Mission

The mission of St. Mary's School is to provide an environment that promotes the Catholic Faith and Christian values for all. We work with parents, parish family, and the community at large to empower our students to recognize God's presence in their daily lives, strive for academic excellence and become responsible lifelong learners.

Why St. Mary's?

- Small Class Sizes
- Amazing Dedicated Teachers
- Rigorous and Engaging Academic Experiences
- Faith-Based Education
- 'State of the Art' Technology
- Lifelong Friendships
- Many Fun and Engaging Activities for Students, Parents, and Families
- Spanish Language Classes

Faith

Both spiritual and academic experiences at St. Mary's School enable students to deepen their relationship with Jesus Christ, broaden their knowledge of their faith, and connect their faith to their daily lives. The foundation of faith around which we build our academic programs permeates every aspect of the school day and continues beyond it. The faith-filled environment instills high degrees of self-confidence, self-respect, and self-discipline among students.

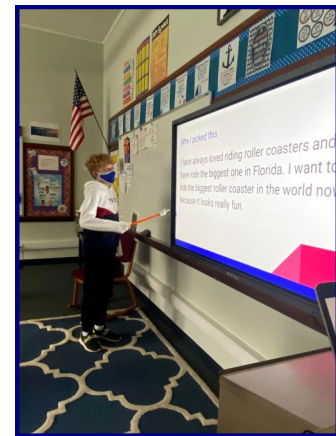

Values

As students mature within the supportive environment at St. Mary's School, they are challenged to take that gift of fellowship and give back to the broader community. Students learn life long decision making skills, how to be of good character, and engage in a variety of community service projects.

Academics

Students emerge from St. Mary's School with a strong faith-based education that is supported by technology and focused on the skills needed for today and into the future. Students learn decision-making skills, develop high levels of literacy in language arts and mathematics, apply inquiry-based experimentation and problem solving, and build understanding and appreciation for world history and cultures.

Diversity

St. Mary's School welcomes students from a variety of ethnic, religious, and social backgrounds. A portion of students who attend St. Mary's School are from other faith backgrounds.
